- Best Estate Agent in the UK 2015 - Bronze Grand Prix Winner
- Gold Winner for Best North West Estate Agent 2015
- Winner for Best Merseyside Estate Agent 2015

### Rightmove Mystery Shop :

- Fastest Estate Agent Nationally for Speed and Response To Customer Enquiries

### The Sunday Times Awards Judges Comments

"Logic Estates achievement to date is remarkable for a single office operation which is competing against much larger agencies. It enjoys the market share and this is growing all the time. Much of this growth can be directly attributed to the consistent service levels and the accuracy of their valuations. Logic will achieve a high percent of asking price for your property".
